Progress in Meeting Mission and Goals

The CHA provides the following progress report relative to the 5 Year Plan.

PHA Goal: Expand the supply of assisted housing

Objective: Apply for additional rental vouchers

Progress: The CHA has been unable to apply for additional rental vouchers because of a lack of funding for new Housing Choice Vouchers. Additionally, HUD recently notified the CHA of the funding for HCV program in 2016. This funding notification results in the CHA being able to support close to the same number of vouchers currently under lease. CHA has applied for and received additional VASH vouchers to bring the total number of VASH vouchers to 147.

Objective: Maintain a public housing vacancy rate of 3% or less

Progress: The CHA has maintained a public housing vacancy rate of less than 5% and is improving toward the 3% goal.

Objective: Continue efforts to address housing needs, by leveraging resources as needs are quantifiably determined.

Progress: The CHA absorbed the WCDA statewide Section 8 program into its voucher program inventory and administered several project-based opt-outs during the past few years. This has resulted in an expansion of the CHA Section 8 program to 1924 vouchers including VASH Vouchers and Tenant Protection Vouchers from PBCA opt-outs.

Objective: Fully utilize the resources available to the CHA, specifically the voucher program resources.

Progress: The CHA has achieved 97% utilization of the voucher program and is moving toward its 99+% goal.

Objective: Ensure that policies more completely support the mission of the CHA to provide low income rental assistance throughout its service area.

Progress: The CHA has reviewed its ACOP and Admin Plan and incorporated a preference for local residents/local employed applicants, as well as a homeless with case management preference. All preferences are weighted equally.

Objective: Encourage the creation of a new 501(c)3 non-profit organization for the purposes of developing and managing additional affordable housing rental units.

Progress: The CHA sponsored the creation of a new non-profit organization, the Wyoming Housing Partnership, Inc. There are two common Board members between the CHA Board and WHP Board. WHP has received 501(c)3 status from the IRS and is considering its first affordable rental housing development.

PHA Goal: Improve quality of assisted housing

Objective: Achieve and maintain High Performer status

Progress: The CHA has been recognized as a Standard Performer

Objective: Achieve and maintain High Performer status under SEMAP

Progress: The CHA has been recognized as a High Performer.

Objective: Continue to enhance Resident Initiative efforts

Progress: The CHA continues to fund a Resident Services Coordinator position to enhance Resident Initiative efforts. This has very successfully encouraged more resident participation and has enhanced the sense of community within our projects.

Objective: Continue to utilize Capital Funds to the maximum benefit

Progress: The CHA has developed and submitted, along with the Annual PHA Plan Update, the Capital Fund Annual Statement and 5-Year Plan which incorporates comments and suggestions submitted by the residents.

Objective: Improve internal control of material inventory

Progress: Maintenance and Nutrition program inventory has been effectively controlled through restricted access, utilization of computer software to record inventory additions and consumption, quarterly physical-count comparison to computer inventory, and improved operating procedures.

PHA Goal: Increase assisted housing choices

Objective: Continue mobility counseling

Progress: The CHA has continued to provide mobility counseling through the use of the Housing Assistance Guide and one-on-one counseling

Objective: Assist rural communities throughout the state with the administration of assisted housing programs, thereby increasing assisted housing choices

Progress: The CHA administers the Section 8 voucher program in various communities throughout the state of Wyoming. CHA has also absorbed the Laramie public housing program from WCDA (effective 4/1/02) which has increased the CHA's involvement in assisting rural communities meet their affordable housing needs.

PHA Goal: Provide an improved living environment

Objective: Rehabilitate units within the public housing portfolio as needed. This may include substantial rehabilitation that would require temporarily taking public housing units "off-line" in order to complete the rehabilitation. The CHA has budgeted within the CFP program to accomplish the substantial rehabilitation of various public housing units as warranted.

Progress: The CHA has performed substantial rehabilitation on units within the public housing portfolio, but has not previously taken the units "off-line" for purposes of calculating vacancy days for PHAS. CHA entered into an Energy Performance Contract with Johnson Controls to enhance the living environment and reduce energy consumption within public housing units; that scope of work was completed in November 2015.

Objective: Utilize Capital Funds to address security improvement concerns of the residents, as warranted.

Progress: The attached Capital Fund information includes proposed work items to address these concerns. Additionally, the CHA has previously expended Operating Funds and CFP funds to address security and safety concerns raised by the residents and annually tests the fire alarm/fire sprinkler system, among other items.

Objective: Adopt a "smoke-free living environment" policy that prohibits smoking within all CHA properties.

Progress: The CHA has adopted the "smoke-free living environment" policy.

PHA Goal: Promote self-sufficiency and asset development of assisted households

Progress: The CHA has achieved strong success through the administration of the FSS program. The CHA has successfully graduated more than 32 FSS participants.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Progress: The CHA continues to ensure access and provide a suitable living environment regardless of race, color, religion, national origin, sex, familial status and disability.
