

Release and Agreement for Removal of Property

I, _____ (hereinafter referred to as "Sponsor"), have previously been appointed as the Sponsor for _____ (hereinafter referred to as "Tenant") and have previously accepted that appointment.

Due to the death of Tenant, I am now functioning in my role as Sponsor to remove Tenant's property from the unit that has been leased by Tenant at _____. I understand and agree that the Cheyenne Housing Authority (CHA) is giving me access to Tenant's unit due to the appointment of me as the Sponsor and the terms of that appointment. I understand and agree that by doing so, CHA is not making any determination as to who is the owner of the property so removed.

I agree to take full responsibility with regard to the removal, possession, storage, care and disposal of all of Tenant's property that I have already removed or will remove from the unit. I release CHA, and all of its agents, officers, officials, and employees from responsibility and liability for any and all claims of any nature which may be made by any other person or entity regarding the ownership, storage, removal, possession, loss, or damage to Tenant's property.

I understand and agree that all of Tenant's property must be removed from the unit no later than 5:00 pm on _____ and that in the event that Tenant's property should remain in the unit after that date, that the CHA may deem that property to have been abandoned and dispose of it.

The terms and effect of this Release and Agreement shall be in addition to all other releases and/or and agreements that I have previously entered into regarding being the Sponsor for Tenant, including, but not limited to, the Sponsor's Acceptance agreement.
